

International Scientific Conference

HEAT – FIRE – MATERIALS 2019

21. - 23.10.2019

Technical University in Zvolen

Zvolen, Slovak Republic

We would like to invite you to the **Heat-Fire-Materials 2019** International Scientific Conference aimed in presenting the state-of-the-art knowledge and research results in fire safety of materials, composites and building constructions.

Scientific Guarrantors

Danica Kačíková (Slovakia)
Andrea Majlingová (Slovakia)

Scientific Committee

Karol Balog (Slovakia)
Milan Gaff (Czech Republic)
František Kačík (Slovakia)
Danica Kačíková (Slovakia)
Andrea Majlingová (Slovakia)
Mariusz Maslak (Poland)
Esko Mikkola (Finland)
Jana Müllerová (Slovakia)
Jiří Pokorný (Czech Republic)
Ágoston Restás (Hungary)
Maroš Soldán (Slovakia)
Aleksandr Smirnov (Russia)
Qiang Xu (P.R. China)

Organising Committee

Ľudmila Tereňová – Guarrantor
Emília Orémusová
Danka Ľuptáková
Nikoleta Szirmaiová
Dominik Špilák
Rastislav Veľas

Scientific Topics

- Fire Properties of Materials
- Thermal Degradation and Combustion
- Fire Dynamics
- Fire Detection and Modelling
- Fire Protection of Buildings
- Fire Risk Management

Language

- Slovak, Czech, Russian, English

Conference Fees

Conference fees were set to **139 €**. It covers conference running costs, conference proceedings and the meal during the Conference.

Conference Proceedings

Papers in English accepted by two independent reviewers will be published in Conference Proceedings, which you will receive by the registration desk. The Proceedings will be sent to the Web of Science citation database for indexing.

Actual Information about the Conference

At the Conference website, there is introduced actual information about the conference and a registration form. Potential participants are invited to present papers and/or posters. If you are interested, you are kindly requested to complete and return the registration form and send it to the contact address listed in the registration form by **June 30, 2019**.
